SECTION 1: FIX/REFIX HOME LOAN FOR THE ENTIRE HOME LOAN AMOUNT

The entire loan amount can be fixed for a 1, 2, 3, 4 or 5 year term

Fix my rate for:

- 1 Year 2 Years 3 Years 4 Years 5 Years

Current repayment type:

- Principal and Interest (P&I) *Interest Only (IO)

*Interest only can only be selected if you have already been approved for an interest only period that encompasses the fixed rate period.

Interest rate for current fixed rate offer is % p.a.

Please contact your lender if you do not know the current fixed rate on offer.

Important information about fixed rate loans

In addition to reading your loan contract, we strongly recommend that you obtain independent legal and financial advice about the benefits and risks of a fixed rate loan. Applicable for new and existing loans:

- a) At the end of the fixed rate term, your interest rate becomes a variable interest rate (applicable to your home loan at the time).
- b) If your home loan has interest only repayments, your fixed rate term cannot exceed the interest only period available. To fix the rate for longer than the interest only period, please contact us.
- c) You may incur substantial break costs if: – You fully repay or make additional repayments greater than \$20,000 to your loan during your fixed rate term; or – You change your home loan from a fixed to a variable interest rate or to another fixed rate product during the fixed rate term; or – Your home loan is in default and we are required to end the fixed rate contract early; or – You instruct us to discharge your home loan before the end of the fixed rate term; or – You choose to refinance your home loan before the end of the fixed rate term.
- d) On your fixed rate loan redraw is not available during the fixed rate term.

Only applicable for existing loans: If you are converting an existing loan to a fixed rate loan:

- a) Redraw will not be available, so you will need to transfer the funds before you fix the loan. If you would like to maintain redraw, you can choose to fix only part of your loan and retain the remaining portion with a variable interest rate.
- b) The fixed rate that will apply for the term will be the rate on the day we receive your request. The fixed rate term for your home loan will apply when we accept your request. Your repayment amount may increase after the change is made.
- c) For us to consider your fixed rate request, you must ensure your minimum monthly repayments are up to date and you must continue to pay your minimum monthly repayment from your nominated account each month. Please refer to the Early Repayment of fixed rate loans brochure or your Loan Contract Terms and Conditions booklet for more information.

Please note: For loans settled or approved on or prior to Friday, 27 September 2013, no additional repayment/s can be made. Additional repayments are only available to fixed rate loans where the lender of record is AFSH Nominees Pty Ltd. Additional payment may be made by other methods such as BPAY®, Direct Salary Credit and Other Income Credit.
